

A Rosary

for children to pray for Ukraine and Russia.

With the older children, on the beads between the cross and the medal, you may wish to pray - Our Father, 3 Hail Mary's and a Glory Be.

For all 5 decades -

On each of the 10 small beads pray - *Our Lady of Ukraine, pray for us*

On the large bead in between pray - *Glory be to the Father.*

Having finished 5 decades as above, begin again but now-

On each of the 10 small beads pray - *Our Lady of Russia, pray for us*

On the large bead in between pray - *Glory be to the Father.*

Having finished 5 decades as above, begin again but now -

On each of the 10 small beads pray - *Our Lady of Refugees, pray for us*

On the large bead in between pray - *Glory be to the Father.*

Having finished 5 decades as above, begin again but now -

On each of the 10 small beads pray - *Our Lady of helpers, pray for us*

On the large bead in between pray - *Glory be to the Father.*

Having finished 5 decades as above, begin again but now -

On each of the 10 small beads pray - *Mary, Queen of Peace, pray for us*

On the large bead in between pray - *Glory be to the Father.*

(for younger children, you may wish to just have one decade with each invocation)

End by praying the Hail Mary together.
